Diese Broschüre zeigt eine Auswahl anspruchsvoller Architekturprojekte, die mit unseren Leuchten umgesetzt wurden – von Produkten aus unserer Standardkollektion bis zu individuell entwickelten, maßgeschneiderten Lösungen.

Ein enger, konstruktiver Austausch mit Planern, Architekten und Bauherren ist für die erfolgreiche Umsetzung solcher Bauvorhaben von zentraler Bedeutung.

Wir freuen uns darauf, Sie bei Ihren Projekten zu unterstützen.

This brochure showcases a selection of sophisticated architectural projects realised with our luminaires – from products in our standard collection to individually developed, bespoke solutions.

Close, constructive collaboration with planners, architects and clients is fundamental to the successful completion of such projects.

We look forward to supporting you in your upcoming projects.
